Professional Summary

To obtain a challenging web developer position in a dynamic and innovative organization where I can utilize my technical and creative skills to develop and maintain responsive, user-friendly, and visually appealing websites.

Skills & abilities

Proficient in a range of programming languages, with experience in developing and maintaining responsive, user-friendly, and visually appealing websites using modern web development frameworks and tools, like HTML5, CSS3, Bootstrap, Figma, JavaScript, php, MySQL

Experience

HANGAHUBS PROGRAM.

July 2024 –December 2024

At Hanga hub, I worked as an intern, collaborating with dynamic teams on various projects based on the skills we were learning. I contributed to implementing technologies such as php and MySQL to develop user-friendly and real-time web development.

FULL-STACK WEB DEVELOPER

April 2022

IRT KIGALI, I worked as an intern, collaborating with different teams to find solutions by applying what I had learned. During this time, I focused on roles as UI/UX developer and frontend designer.

Education

2018–2021 G.S Gitarama in ordinary level

2021–2024 G.S Ecole secondary Technique Gisenyi level

language

English.
Kinyarwanda.

Leadership

Mentor junior developers, coordinate project tasks, and implement best practices to ensure timely delivery of high-quality web applications.
